

RAPID RECAP – SCULPTING THE FUTURE

For the exam-going post graduate students

26th – 28th February 2019

Association of Conservative Dentistry and Endodontics in association with Dayananda Sagar College of Dental Sciences, Bengaluru as their first activity conducted a programme Rapid Recap – Sculpting the Future for the exam-going postgraduate students of Karnataka from the 26th to 28th of February 2019 at Dayananda Sagar College of Dental Sciences, Bengaluru. The programme was sculpted with an intention to fine tune and prepare the students to confidently and effectively face the final theory, practical and viva-voce examinations. To cater to the diverse group, interactive sessions were held to encourage critical thinking, problem solving and decision making skills.
