## **RAPID RECAP 2020**

### **REBOOT - REFRESH - RECAPITULATE**

This program is sculpted so as to fine tune and prepare the students to confidently and effectively face the final theory, practical and viva voce. This will offer a comprehensive and holistic insight by experienced academicians on a single platform. The present day dental post graduate students come with different learning preferences and style. To cater to such a diverse group, interactive sessions are planned to encourage critical thinking, problem solving and decision making skills.
